May 2014

This issue we are featuring an array of products on display during the forthcoming Milan Furniture Fair, 8-13 April. Our Product of the Month this issue is GRPL by TAPEgear found on page 164. All of the items featured in the following pages can be found in the Products section of iconeye.com

Barlow Tyrie Milan Furniture Fair

The Equinox range of dining tables from Barlow Tyrie has stainless steel frames with hard-wearing ceramic tops, making them both durable and a slick, modern finish to any living area. The Equinox tables come in a range of sizes, ranging from a small 70sq cm pedestal table, perfect for an outdoor balcony space, all the way up to the Equinox ceramic extending dining table, measuring 360cm in length. For users who want something different, the ceramic top is available in ash, ivory and Storm grey. www.teak.com

Design by nico Milan Furniture Fair

Beautifully made by British craftsmen, the 100 per cent Kvadrat wool-covered Leaf seat from Design by nico is a modular concept. Each one can be used as a stand-alone object in a room, but they are particularly impressive when placed together; the Leaf seat's dimension and shape enables it to be interlocked in a variety of combinations. The Leaf seat measures 40x57x39cm and is available in various green and brown shades, as well as ochre and autumn red. www.designbynico.co.uk

Hida Sangyo Milan Furniture Fair

Hida has been a highly recognised and respected part of Japanese wooden craftsmanship for nearly 100 years. Its newest release is the Seoto chair, designed by Motomi Kawakami. Seoto's distinctive design features its back, arms and rear legs united together in one section. The soft, warm touch of the Seoto chair can be experienced during the Milan Furniture Fair in Hall 6. www.kitutuki.co.jp

Atelier Mo.Ba. Milan Furniture Fair

The Kubina storage container from Atelier Mo.Ba. stands out for its distinctive pattern of broken and overlapping lines, forming compositions of rectangles and squares of different sizes. The colour contrast between the Indian rosewood exterior and the figured maple inlays add to its distinctive decoration, with special attention given to the detail inside the drawers, produced from tulipwood to create a natural silk effect. Visit Atelier Mo.Ba. in hall 1, stand L08. www.ateliermoba.com
